Dear Khira:

On March 26, 2010 Clay County Sheriff Randy Krukow escorted the Easter Bunny for their 3<sup>rd</sup> consecutive year to the Spencer Municipal Hospital. We were able to provide approximately 20 plush bunnies, coloring books and crayons to the children, along with laughter and big smiles.

You will find an article from our local newspaper enclosed. The visit was also covered by our local television station affiliate Channel 4 News.

Thank you for allowing us to be a part of this wonderful organization. It was another successful year.

Sincerely,

Randy Krukow  
Clay County Sheriff's Office

## SHERIFF, EASTER BUNNY SHARE JOY WITH PATIENTS

Clay County Sheriff Randy Krukow teamed up with the Easter Bunny Foundation Friday to share with others the excitement and wonderment that only a personal visit with the Easter Bunny can bring. Sheriff Krukow and the Easter Bunny hip-hopped their way through Spencer Hospital, bringing smiles to the faces of patients, both young and old. The Easter Bunny Foundation is a nonprofit organization based in Florida which teams up with sheriff departments across the nation to visit hospitalized children at Easter time. The foundation provides plush toy bunnies or coloring books and crayons to each child visited. Sheriff Krukow says the purpose of the organization is to bring smiles to the children and families they visit as well as to highlight the positive role of the sheriffs and deputies who serve the people of their community.
