Dear Ms. Williams,

Once again we had a successful visit between the Easter Bunny and the community. Due to schedules, the bunny made an early visit but that did not seem to bother anybody.

This year Sheriff Dave Stong accompanied the bunny to the Alamosa Citizen Center during lunchtime. During the visit, treats and bunnies were handed out to the senior citizens. This is the second year the bunny has visited with senior community members. This group of citizens is very hospitable and seems to enjoy the visit very much.

After the visit at the senior center, the bunny and Sheriff Stong made their way to the San Luis Valley Regional Medical Center. Fortunately there were not too many patients however, the bunny made his rounds to those that were there. One patient in particular was very excited for the visit. In her own special way, she danced, talked and sang with both the bunny and sheriff.

As always, the staff enjoyed the visit as well, and was given treats for their hard work.

A small patient came into the hospital with his parents. Although they were only there for a check-up, the parents handed over their baby boy into the capable arms of bunny for a picture or two. We made sure the family received copies for their photo album.

All good things must come to an end and once again, Weiss Dry Cleaner's donated their services to dry clean bunny for next year.

Enclosed you will find a copy of the newspaper article showcasing the visit to the senior center and a disc with the pictures taken at both places.

The sheriff's office plans to continue this tradition for years to come.

Sincerely,

Cpl. Lisa Benavidez
