9 April 2010

Sam and Eleanor Meiner  
The Easter Bunny Foundation  
2348 Falmouth Road  
Maitland, FL 32751

Dear Mr. and Mrs. Meiner and the entire Easter Bunny Foundation:

Once again you have hopped our way to share your wonderful Easter cheer. We thank you so very much for the continued support we receive each year from the Easter Bunny Foundation. Your visit to the Arnold Palmer Hospital for Children on April 3<sup>rd</sup> was certainly fun for everyone and the plush bunnies and word search activity you made available were a welcome treat. You brought many smiles and positive memories to our young patients and their families for this Easter holiday.

In addition, we greatly appreciate your flexibility in making the program continue to work through the extended flu season. The children and their families definitely appreciated getting out of their rooms to come down to see your program and we're extremely grateful you were able to modify the program to a new venue so the patients would not miss out on the experience. Every child who was able to receive a visit, participate in a visit, and who was the appropriate age for a visit got to experience the Easter Bunny and accompanying Sheriff's Officers.

Please extend our sincere gratitude to everyone who was involved in making this visit possible and who took their valuable time to spend the morning with us. You are to be commended for helping to lift spirits and brighten the day of a child in the hospital. The old adage, "children need more than medicine to get well", was certainly well represented by your Foundation's efforts. Again, thank you for sharing the Easter Bunny with us. Best wishes for a joyous spring and summer ahead!

Sincerely,

Sheri A. Mosely, MS, CCLS
