Keith A. Ferguson

Chief Deputy  
Don Townsend

Major  
Gene Drake

*Dear Easter Bunny Foundation,*

*Sheriff Ferguson greatly appreciated the supplies and the effort you all put into giving a better Easter to those in the hospital. We do not have a children's hospital in our area but we were able to take pictures with newborns and their families.*

*Hospital staff enjoyed our visit as well. They were excited about the experience and chose to bring their families to work with them for the special occasion.*

*This was our first year to help promote your foundation and we really did enjoy it. We look forward to next year.*

*Thank you from all of us at the Benton County Sheriff's Office.*
