Dear Khira Williams:

On behalf of Florida Hospital for Children, I would like to express my appreciation and gratitude for your donation of plush bunnies. We are so thankful to have community members who are willing to contribute to the families who come to Florida Hospital for Children. Our pediatric patients are typically uncomfortable in strange surroundings and your kind gift serves to make this environment less frightening and overwhelming to them. Please know that your generosity and kindheartedness will truly make a difference in the experiences that these children and their families encounter while hospitalized at Florida Hospital for Children.

Sincerely,
