Dear Khira, Sam & Eleanor:

Once again we would like to thank you for allowing our Department to participate in the Easter Bunny Foundation program. This year was just as rewarding, if not more so, than last year. There's no greater joy than putting a smile on a child's face.

We were able to participate in an Easter party at the Northeast Church of God (our Chaplain's home church), visit our local women's shelter (Hands of Hope), and then a visit to the pediatric ward and family birthing center at Marion General Hospital. Each experience was delightful in every way, and very much appreciated.

Thank you again for allowing the Grant County Sheriff's Department to be a part of your program. We are already looking forward to next year.

Sincerely,

Sheriff Darrell L. Himelick
Detective Lisa Himelick
