Dear Mr. & Mrs. Meiner,

The 2010 Easter Bunny charity assignment was successfully completed with approximately 400 children (both patients and siblings) visited at Texas Children's, Shriner and Memorial Herman, LBJ and Ben Taub hospitals all located in Houston, Texas.

Thirty sworn personnel and seven civilians contributed to this successful event, including myself.

Every year the Sheriff's Reserves participate in the Easter Bunny Charity Event. Our dedicated Reserve deputies and their family members gather their resources and successfully bring joy to those children and their families who are spending the holiday in the hospital. Hundreds of children are visited in area Children's Hospitals and are greeted with a plush toy and a coloring book with crayons by none other than The Easter Bunny.

Again, thank you for helping spread Easter cheer to these children. We look forward to next year's event and you can be assured of our strong commitment to serve the community. Whenever we can be of service, please do not hesitate to contact our office.

Sincerely,
