*Hello Khira*

*It was quite a beautiful day this Easter Sunday. The Deputies and I met at the Winchester Hospital in Winchester MA as our first visit.*

*There were quite a few parents and their children that were very happy to have their picture taken with the Easter Bunny, as you can see from the one with the young girl hugging the Easter Bunny.*

*They also liked the coloring books that were handed out and excited that they would be able to view these pictures on [www.theeasterbunny.com](http://www.theeasterbunny.com).*

*Our second visit was to the Shiner's Burn Unit in downtown Boston MA. The Deputies and I were directed to the children's' rooms after the parents gave permission for us to take pictures. Although there was a language barrier, the smiles from the children and the parents needed no translation that they were glad we were there.*

*Thank for your generosity and thoughtfulness for the use of the Bunny costume and the stuffed animals that makes the visits possible every year.*

*Sincerely yours,*  
*M. Michael Giacoppo*
