Dear Ms. Williams,

On behalf of the Lee County Sheriff's Office I would like to thank you for the opportunity to participate in the Easter Bunny Program this year. Members of our Public Services Division, along with the Easter Bunny visited Health Park Children's Hospital on March 31, 2010.

During our time at the hospital we visited with children ranging in age from 2 months to 18 years and met many friendly and helpful hospital staff members as well. It was wonderful to see the children's faces light up when they saw the Easter Bunny.

Again, thank you for this wonderful experience and we look forward to next year's visit.

Sincerely,

Captain Christopher Velez
Public Services Division Commander
