INTER-OFFICE MEMO**

DATE: 6/13/10

TO: Khira Williams
Executive to the Easter Bunny

FROM: Dep. Damaris Hoffman
Pinellas County

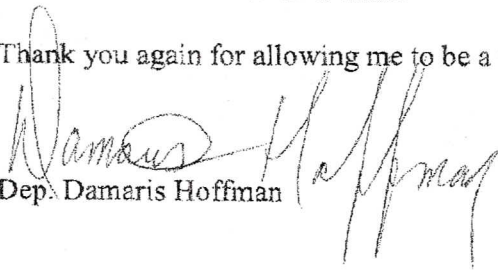

SUBJECT: Easter Bunny

Once again I felt honored being the Easter Bunny at All Children's Hospital in st. Petersburg, Pinellas County, FL and representing The Easter Bunny Organization. Roy Adams from All Children's Hospital is always a pleasure to have as a guide. James Fournier, Allan Gormont, Carey Anita and Dwayne Rogers who represented the Pepsi Company were a pleasure to have as part of the Easter Bunny team. Of course my husband Dep. Jay McGathey is always more than happy to be with me when I'm the Easter Bunny at All Children's Hospital.

The visit with the children was just amazing. The children are always so excited when the Easter Bunny comes for a visit. To see their faces light up and the sparkle in their eyes just melts the heart. These children are the strong and special ones. I love doing this and next year will make it 10 years I have been the Easter Bunny. I hope I can make it another 10 years.

The new All Children's Hospital is the most amazing and family oriented hospital I have ever seen. Every room has a beautiful view and is also large and private. The staff are the heros they have so much love for each child.

Thank you again for allowing me to be a part of a great orginzation as The Easter Bunny Org.
