Dear Ms. Williams:

Thank you for allowing the Roanoke County Sheriff's Office to participate in the Easter Bunny Program. We found it to be very worthwhile. We were able to bring some cheer to children who otherwise may not have had a meaningful and joyous Easter Holiday.

We have enclosed some pictures as well as a letter from one of the hospital Pediatric Units, Hematology/Oncology Units and Emergency Room we visited to show the impact of our visit. We look forward to participating again next year.

Sincerely,

A handwritten signature in black ink, appearing to read "M. G. Winston", with a long horizontal line extending to the right.
