

Dear Ms. Williams,

Please find attached the photos from Easter Sunday at Children's Hospital in St. Louis Missouri.

All of the children had a wonderful time and love the new bunnies.

Our group had a great time, and we are already looking forward toward next year!

We did our best on the Easter Bunnies Ear but the wire does not go all of the way up the ear.

Thanks again for allowing our department to participate in such an exciting program!

Lt. Dennis Pogue  
Security Commander
